PURPOSE OF MOU

In particular, this MOU is intended to

1. Enhance entrepreneurial mindsets among the students through conducting different computer certificate courses under District computer Centre of AMTRON,
2. Provide a platform of mutual sharing of Computer Laboratory and Computers for greater good of the students
3. Organize various workshops on Entrepreneurship Development.
4. Conduct practical trainings on Entrepreneurship Development.

Generate self-employment opportunities.

6. Assist the students in establishing various start-ups.

7. Arrange the placement of trained students.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

Clause 1 :- CO-OPERATION

Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.

The co-operation between First Party and Second Party will facilitate effective utilization of the intellectual capabilities of the Second Party providing significant inputs to them in developing suitable teaching/training systems, keeping in mind the needs of the First Party.

Clause 2 :- Terms and Conditions

1. Both parties believe that close co-operation between the duo would be a major benefit to the student community to enhance their skills and knowledge.

Contd.....P/4

In part for the NOTAM...

1. Various experimental methods among the students through conducting different experiments under the supervision of AMTRON.

2. Provide a platform of mutual sharing of Computer Lab and other computer related work of the students.

3. Organize various workshops and seminars for the development of the students.

4. Conduct practical training of the students in the field of development.

5. Generate employment opportunities.

6. Assist the students in their research projects.

7. Provide the students with the necessary facilities.

THE RESEARCH BY COOPERATION OF THE TWO PARTIES SETS OUT THE RESEARCH, THE PARTIES HEREBY AGREE WITH THE

Clause 1 - COOPERATION

Both parties are united by common interests and objectives of communication and co-operation that will assist in the development of the parties and help each other to achieve their common objectives. The co-operation between the two parties is based on the intellectual capabilities of the two parties and the development of the parties through the co-operation.

Clause 2 - Terms and Conditions

1. Both parties believe that there is a connection between the two parties in the area of their skills and knowledge.

2. The Second Party will give valuable inputs to the students of the First Party in teaching/training methodology so that the students fit into the industrial scenario meaningfully.
3. The interaction between District Computer Centre, Karimganj and Patharkandi College, will give an insight into the latest developments /requirements of the industries; the Second Party to permit the Students of the First Party to visit its other computer centre. The computer training and exposure provided to students through this association will build confidence and prepare the students to have as mooth transition from academic to working career.
4. The Second Party will train the students of the First Party on the emerging technologies in order to bridge the gap in skill and make them ready for industry.
5. The Second Party will extend the necessary support to deliver lecturers to the students of the First Party on the technology trends and in house requirements.
6. The Second Party will actively engage to help the delivery of the training and placement of students of the First Party into various sectors.
7. The First Party will provide two well furnished rent free rooms of which, one will be a class room and other one will be converted into a Computer Lab by the Second Party for Practical and theoretical training for students of the First Party.
8. The Second Party will bear the cost of buying computers, online UPS and expenditures in making the computer Lab as well as salary of the instructors and other related unseen expenditures.
9. The Second Party will collect tuition fees, Registration fees and examination fees from the students of the First Party pursuant to the Guidelines set up by the AMTRON (Govt. Nodal I.T Industry).
10. After completion of the computer courses, the Second Party, with the help of AMTRON will conduct examinations of the students of First Party and the successful students will be awarded with grading certificate by AMTRON.

Contd...P/5

Clause 3:-VALIDITY

The validity of the agreement is Three years from the date of agreement.

Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

Any dispute will be settled in the Karimganj District Court only where the offices of both Parties are situated.
