“INTERNATIONAL WOMEN’S DAY”
08TH MARCH, 2023

Organized on

10TH MARCH, 2023

Organized by

WOMEN CELL

In collaboration with

NATIONAL SERVICE SCHEME (NSS)

PATHARKANDI COLLEGE

Aims and Objective

International Women's Day is celebrated on 8th March every year across the world. The main objective for the celebration of the day is to uphold women's achievements, recognize challenges, and focus greater attention on women's right and gender equality. This year the theme of the International Women's Day was "**Embrace Equity**".

Details of the Event:

The International Women's Day is celebrated on 8th March every year. This year 8th March, 2023 was a holiday and so, it was decided by the members of the Women Cell of the College to celebrate the Women's Day on 10th March, 2023. This year the Women Cell of the College decided to extend some Community services unless the traditional in-house celebration. This Campaign is also carried out as a part of Azadi ka Amrit Mahotsav (AKAM) celebration.

On 10th March, 2023 at 10:00 am, the members of the Women Cell, Principal of the College and the students of NSS Unit started their rally from the College to the adopted villages of the College viz. Manikpara, Rajbari and Rabidas para. The members of the Women Cell spread awareness among the women of the villages about the necessity of taking care of their health and maintaining hygiene for living a good and prosperous life by door to door visit. Around 100 sanitary napkins were donated by the members of the Women Cell in association with the ACTA members of Patharkandi unit and distributed the same to the females of the adopted villages. The Women Cell members not only encouraged the villagers (women) to use sanitary napkins but also aware them about the procedure of proper disposal of the sanitary napkins and its importance in preventing the environment from being polluted.
