On the occasion of "AZADI KI AMRIT MAUTSAV @75th INDEPENDENCE DAY", Patharkandi College NSS Unit, the Lions club, Patharkandi came together to organise a blood donation drive on Aug. 28, 2021 at the college campus. The programme to donate blood began at 10:30 am. All of the students, NSS Volunteers and teaching & non-teaching staff were observed to take more initiative. The National Anthem was sung by the NSS unit at precisely 10:30 am in the morning, and the principal then gave a brief remark. The camp was being run on campus by a group of 3 doctors and 6 nurses from the Karimganj Civil Hospital. The donors were asked to fill a medical form to give details about their health-related information. Before the donation, the blood donor's weight, blood pressure, and body temperature were checked so that they wouldn't have to deal with anything else.

It is worthy to mention here that taking care of 75th Independence Day, 75 students including teachers of the college & about 8 local people have donated their blood in this camp. It is also interesting to say that out of 75 about 20 female students have willingly donated their blood as because they knew that requirement of blood for women is more than the man in most of the emergency situations like pregnancy, operation etc. Dr. Monjurul Hoque, Principal of the college thanks to all in the end of the camp. The programme was concluded with Certificate distribution.
