Aims and Objectives

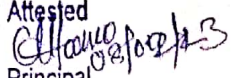

The objectives of the campaign is to detect the blood group of all students, hence the most important reason to know ones blood type to help anyone in emergency situation . If any person is in a situation where he/she requires a blood transfusion, will need compatible blood. In this situation the blood detected students can donate his/ her blood and can save the life without wasting the time.

"Knowing your blood type can also help predict the concentrations of certain proteins in the bloodstream, like von Willebrand disease," Dr. Nance said.

Report on the Events of Blood Group Detection Camp :-

On 26th February 2022: A blood group detection camp was organized by Dept. Of Zoology, NSS unit & IQAC of Patharkandi College in association with Lions Club Patharkandi Centurion. The programme was started at 10 AM through lighting up of lamp by the honorable Principal Dr. Monjurul Hoque and other guests. In the first phase all the N.S.S volunteers and some other senior students of our College arranged the table , Chair and necessary aid materials. Among the students Kabir Ahmed, Sahid Ahmed, Abu Tahir Ahmed, Rohit Paul, Razin Akter moon, Anam Uddin, Jasim Uddin, Jaynal Ahmed, Albab Hussain and so on helped the programme, out of these Hanna Begum, Khalida Begum, Sakira Begum, Sazida Begum, Nayan Makakar, Chandan Das, Dilwar Hussain became the volunteers who pushed the students one by one in a very sequence manner.

In the very first section of the main events Dr. Amarendranath Choudhury, Coordinator, IQAC of Patharkandi College betterly made the students aware about their blood group (A+, B+, O+ and O- etc.) in the light of Science. Suddenly about 11:00 AM the detector team reached in the college and with the active partnership

of venerated Principal Dr. Monjurul Hoque and Dr. Prodip Dey head of the detectors team the detecting tasks started.

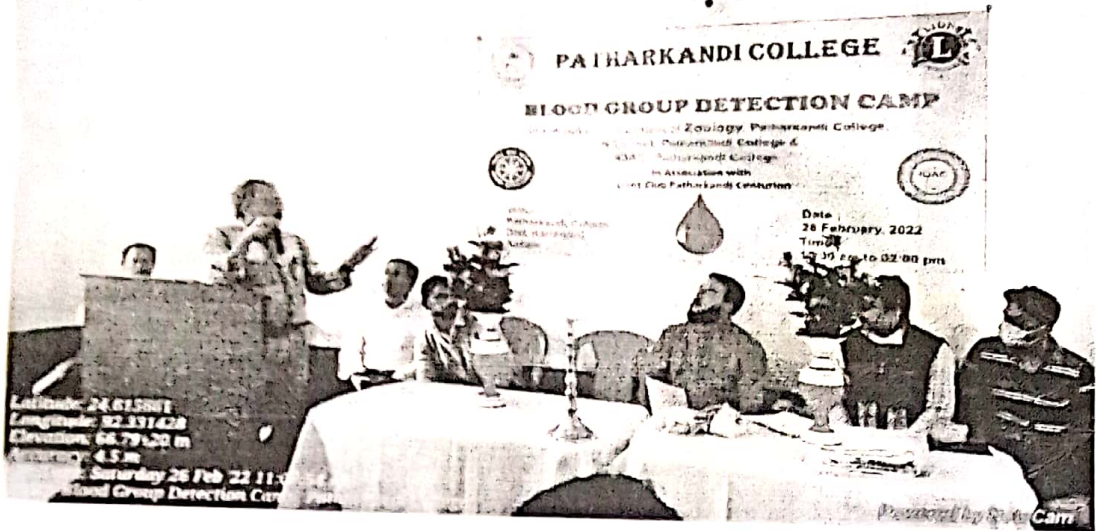

The Head of the team put his a few words about the importance of blood detection and encouraged the students to do the same. He stated that in medical therapy accidental peoples or emergency situation basically needs the blood, if anyone knows his blood he can give without spending the time.

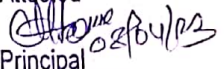

However, approximately 11:20 AM the blood group detection was commenced and smoothly ran away till 3:00 P.M without taking any rest. Moreover in the eventual phase all the volunteers as well as the blood detectors had been captured in camera all together and the programme was declared as end at 3:30 PM.
