Coordinator: Dr. Abhijit Dutta, Assistant Professor

Head Department of Chemistry, Patharkandi College

Member: Dr. Nirmalendu Das, Assistant Professor,
Patharkandi College

Department of Chemistry Patharkandi College In association with Assam Science society Patharkandi Branch and MAATI NGO organized a workshop on Natural Farming to celebrate **Earth Day**. A few agriculturist, social activists and farmers from Patharkandi localities were invited as resource persons for technical session and hands-on training program.

Dr. M. Ningamba Singha expert in mushroom and vermi-compost management was also invited as guest speaker.

Program was started with the felicitation of agriculturists and other guests. A presentation on the topic “importance of organic farming related to the environment and earth” was given by Dr. Abhijit Dutta, Coordinator and HoD Chemistry, Patharkandi College. Dr. M. Ningamba Singha gave the presentation on natural farming aspects in Assam. All the agriculturist/social activists’ speakers gave speech on importance of soil and environment management by using local fertilizers. Brief discussions were done on different strategies of present government for agricultural improvement and self reliant techniques. All the resource persons gave their presentation of natural and organic farming strategies so that effect of climate change can be reduced. After technical session was over, hand-on training sessions were also conducted on making bio organic based fertilizer to reduce the effect of chemical waste. Students of science stream were the main participants in this program.
