*Aim and objectives:*

As we know that sports is a important part of our healthy life. It basically starts from the childhood age. From the beginning, sports and game have been included in the schools and colleges & other higher educational Institutions. Keeping these view points, Karimganj district sports association had started (one week) district level cricket competition in the district head quater-Karimganj. A numbers of students from schools and colleges participated in it. Patharkandi College was also one among them and reached the final round of this game. Ultimately, the final match was held in between Patharkandi College & Karimganj College. Patharkandi college made 102 runs while Karimganj College had been found to achieve 104 runs. Consequently, Karimganj College was declared as winner and Patharkandi college was a runner of this game. Besides, 100 students from Patharkandi College went in it as audience.
