Report On Celebration of National science Day 2023

Aim and objective:

The main aim and objectives of the event was to celebrate and observe national science day 2023 to promote science as global well being

Theme NSD 2023: “Global Science and Global Well-Being”

Details of the event:

This year National Science Day was observed and celebrated in two different days owing to TDC final examinations. The event was observed on 28th of February 2023 in presence of few faculty members of arts and science stream and few students. The Final event was celebrated on 14th of March, 2023. Day-wise details of the event are given below:

Day 1: Observation of NSD-2023 on 28th Feb’23

National science day 2023, has been observed on 28th February’23 at Patharkandi College at ICT room no. 27 in presence of Principal, Dr. Monjurul Hoque, IQAC coordinator and faculty members from Arts and Science stream. This day was declared by the National Council for Science and Technology Communication (NCSTC) in the year 1986 on 28th of February. National Science Day is celebrated in India on February 28th each year to mark the discovery of the *Raman Effect* by Indian physicist Sir C. V. Raman on 28 February 1928. This day was observed and organized by science stream of our college. *Dr. Dimpri Paul*, Assistant Professor, Department of Physics hosted the occasion. The day was started by lightening the ceremonial lamp followed by a wonderful welcome note on this occasion by Dr. Monjurul Hoque, Principal, Patharkandi College. To grace the occasion Dr. Saugata Purkayastha, Assistant Professor, Department of Mathematics delivered a speech to enlighten our students about the importance of global science as global well-being. Further, Roshan alam Parbes, Fahima begam and Sarmina parbin, students of third semester zoology gave a talk on animals representing biological diversity. The day was ended with a vote of thanks given by Dr. Tanvir Hussain, Head & Assistant Professor, Department of Physics.

Day 2: Celebration of NSD-2023 on 14th March’23

On the final event of National Science Day 2023, was divided in two sessions: one technical and another non-technical. *Dr. Dimpri Paul*, Asst. Prof., Dept. Of Physics hosted the event. The day begins with a welcome note that describes the theme of national science day 2023 followed by a welcome address of the occasion by *Mr. Monorul Ishlam*, Vice Principal of Patharkandi College. Thereafter, the technical session of the occasion started with few talks given by our science stream faculty members of each of the five departments. Ms. Satarupa Dep, Asst. Prof., Dept. Of Zoology gave a talk on “The science of tea's mood-altering magic”, Dr. Pradip Doley, Asst.

Prof., Dept. Of Botany gave a talk on “Hydroponics: A soil less farming”, Dr. Saugata Purkayastha, Asst. Prof., Dept. Of Mathematics gave talk on “Artificial general Intelligence and well being”, Dr. Nimalendu Das, Asst. Prof., Dept. Of Chemistry, gave a talk on “An alternative approach in the development of chemical science” and Dr. Dimpri Paul, Asst. Prof., Dept. Of Physics, gave a talk on “Managing stress and enhancing communication”. Keeping the theme in mind the faculty members of science stream were decided to present before our students, so that our student get befitted by topics that describes global well-being. In addition to that, Albert Einstein biography was delivered by Mr. Maruf Ahmed, 4th semester Arts. Thereafter, the non-technical session started on which the students our college extempore speech on to the given topics. Out of the present students five of them participated and two of them secured award for their extraordinary deliberations. The award and the in-house certificates were distributed by Dr. Monjurul Hoque, Principal. During the distribution of certificates the documentary on “*Time-lapse of artificial intelligence*” was displayed for knowing few facts on artificial intelligence. The day was ended with a vote of thanks given by Dr. Saugata Purkayastha, Asst. Prof., Dept. Of Mathematics.

Participants of extempore speech: *Sharmina Parveen, Rowshan Alam Parvez, Fatima Begum, Fahima Begam and Achadur Rahman Tapadar.*
