75th Independence Day celebration in virtual platform on 15th august 2021

Aim and objectives:

The main aim and objectives of the event was to conduct 75th Independence Day celebration in virtual platform to maintain the Covid protocol. The platform helps the entire college fraternity to come together and celebrate the occasion without spreading the deadly virus. In addition to that this platform helps the students as well as the faculty members to show their talents in virtual mode.

This year on Independence Day, 15th august 2021 were celebrated virtually by Patharkandi College, Patharkandi, Karimganj-788724. During the event nearly 100 plus college fraternity were present to be a part of the occasion. Moderator and Coordinator of the occasion was Dr. Dimpi Paul, Department of Physics, Patharkandi College, Patharkandi-788724 and Dr. Abhijit Dutta, Department of Chemistry, Patharkandi College, Patharkandi788724. Patharkandi college fraternity organized 75th Independence Day in virtual platform (*google meet*) on account of the pandemic situation. The programme was started with national anthem followed by inaugural speech by the chairperson, Principal, *Dr. Monjurul Hoque*. The programme has been successfully conducted by *Dr Dimpi Paul*, department of physics, Patharkandi college focusing on the theme 'Nation first, always first'. Further, programme highlights the importance of sports and extra curriculum activities of current generation along with study. In addition to that, the contribution and achievement of Indian sports person in Olympic this year 2021 was also highlighted by *Dr. Saugata Purkayastha*, department of mathematics. A brief talk on N.S.S activities on several awareness programme by students of Patharkandi College was conveyed by *Dr. Imam Uddin Ansari*. Another vital point was discussed briefly about the participation of our college in helping and developing the localities of Patharkandi.

Student's participation: Our college students show their active participation virtually and display their talents through photography, singing and recitation by keeping the theme in mind.

The complete session was conducted by Dr. Dimpi paul, Department of physics, Patharkandi college. The students as well as the faculty members provide constant support to successfully complete the virtual event.

Conclusion: Final remark delivered by Chairperson of the event and concluded by National Anthem.
