Social Media Campaign on the Awareness of COVID 19
Pandemic
Held on
29 May 2021

Patharkandi college
Dist. Karimganj-788724
Assam, India

Aim and objectives:

The COVID-19 pandemic has been a part of our daily lives since March 2020. But with the spread of the new cases a day in India, it remains as important as ever to stay vigilant and know how to protect yourself from corona virus. According to the Medical Report, the virus is more spreading with physical contact or people to people contact. So, there is a need to make awareness among people and it is only one source i.e, internet by which we can reach with masses. Therefore, Patharkandi College N.S.S Unit started social media campaign on 29th May, 2021 by uploading various flyers and banners to facebook, whatsapp, skypee and so on. Around more than 500 students participated in the social media campaign.
