ORGANIZED BY

DEPARTMENT OF ZOOLOGY AND IQAC, PATHARKANDI COLLEGE

IN ASSOCIATION WITH

MOHIMA FOUNDATION, BARAIGRAM

Aims and objectives:

The programme was organized with an aim to aware the students of the college about the hazardous effects of consuming drugs; in relation to health, social and economic aspects.

Details of the Event:

The Awareness programme was organized by the department of Zoology and IQAC of Patharkandi College, Patharkandi in association with Mohima Foundation, Baraigram. The Programme was chaired by the Principal of the College, Dr. Monjurul Hoque. The secretary of Mohima Foundation, Mr. Tamisrajit Banerjee was the speaker of the awareness programme on anti-drug. The Programme started with a welcome note delivered by the Principal of the College. Mr. Tamisrajit Banerjee delivered his talk explaining to the students the health issues caused by the drug consumption and how it adversely affects not only the health of the addicted person but also his/her family and the society. He put forward different examples to make the students aware about the ill effects of drugs on their health that may include damage of the entire nervous system, hepatic and digestive system. He also urged the students not to consume tobacco products like gutka, panmasala etc. as these can also cause addiction and have the potential to induce carcinogenesis. Ms. Sweety Nath Barbhuiya, Assistant Professor, Department of Zoology and Ms. Satarupa Deb, Assistant Professor, Department of Zoology was present on the programme. Both the faculty members delivered their speech on anti-drug. The president of Mohima Foundation also delivered his speech and added that now-a-days students have also got addicted to mobile phones and they must reduce its use and focus on their curricular activities,

necessary for their all round development and bright future. The programme was ended with a vote of thanks delivered by Ms. Sweety Nath Barbhuiya.
