Notice

It is hereby informed to all the members of Patharkandi College that, the Department of Chemistry, in collaboration with the NSS unit of our college, will be celebrating *World Water Day* on March 22, 2024 with the theme for this year "Water for Peace." To mark this occasion, an awareness and outreach program will be conducted with the students of the Department of Chemistry in Rajbari village.

The program will feature informative talks, a procession with placards, interactive sessions, demonstrations of water purification and conservation methods using different models. There will also be an awareness session on waterborne diseases to highlight the importance of water conservation. Your presence and support in this program will be highly appreciated to make the event successful.
